... AND GOD BLESS AMERICA!

Cruisin' Life, born in 2003, is the First Italian magazine entirely dedicated to American Cars and it's still the only one to follow in it's entirety the cult of the Stars&Stripes automotive World, both the vintage and the modern one. Inside the magazine you will always find news about the latest news, biggest events and meetings in Italy and outside our borders, special cars and interesting travels. Readers can also join the magazine in the "for sale" section, where they can buy&sell American cars and accessories directly from other stars&stripes lovers like them.
